

2017 - 2018 School Registration

B"H

February 2017

Dear Parents,

We are happy to announce that we will be maintaining our tuition at its current rate. Register by March 17, 2017 and receive one of two Early Bird options:

Option 1: Pay & register with credit card authorization by March 17 & receive **\$300 off tuition***

Option 2: Pay full lump sum by March 17 & receive **\$500 off tuition***

Note that Menorah's tuition fees, even combined with lunch fees at a fraction of cost, are still lower than any other Jewish day school in North America! (This includes not only all US and Canadian schools, but also local schools, which receive significant additional government and/or Federation funding and still charge more than these prices.)

*Discount is applied to final TOTAL cost of tuition per family. If paying monthly, Early Bird Tuition Discount will be applied to the June 2018 withdrawal.
