Over the summer, Rabbi Sass and Ms. Northam were busy planning and creating some necessary rooms and surprised their staff at Menorah's first Staff PD Day of the new term. We were delighted to hear that a new baby room, art room and Shul were built. We are ready to host another exciting year of learning and laughter!

Davening in our new Shul.

Menorah's Grade Three students were excited to meet our new art teacher, Mrs. Simons and experience the new art room!
